(i) Petition from the General Secretary, Kanyakumari District Private Secondary School Teachers' Guild, dated 5th July 1960.

(ii) Letter from the Director of Public Instruction, dated 13th December 1960, No. 1831-K5/60.

The Government have considered the various requests contained in the petition from the General Secretary of the Kanyakumari District Private Secondary School Teachers' Guild, dated 5th July 1960 and pass the following orders :—

1. *That the S.S.L.C. or the 9th class passed one year trained teachers may be paid in the scale of pay for Secondary Grade Teachers in this State*

and

That the teachers of the U.P.S. at Yettackode who were relieved by the management due to withdrawal of recognition of the school may be reinstated.—The Government have decided already that the S.S.L.Cs. who had received one year training should be treated as Secondary Grade Teachers only if they had put in 10 years of service in schools. In other cases the teachers will have to wait till they complete a service of 10 years period to become eligible for the Secondary Grade scale of pay. The Government see no reason to modify this decision.

As regards the request for reinstatement in service of the teachers of the U.P.S., Yettackode, the Government are not inclined to interfere in the matter.

2. *That the graduate teachers deputed for training during* 1957–58 *may be paid stipends.*—The Government have considered the same request more than once and decided that the request is inadmissible. The Government are not inclined to reopen the question again.

3. *That the pay and allowances admissible to teachers of Government Schools in the Kanyakumari district as on* 1st *November* 1956 *may be granted to the teachers of schools under private managements and that the pay so granted to the teachers of schools should be revised with effect from* 1st *June* 1960 *on the basis of the recommenda-*

tions of the Pay Commission.—The Government have already passed orders revising the pay scales of teachers of Aided Secondary Schools in the Kanyakumari district to bring them on a par with the scales of pay for teachers of schools under Government management in the district as on 1st November 1956. Orders revising the scales of pay as applicable to Government School teachers as on 1st June 1960 will be issued separately.

4. *That the house rent allowance and festival advance may be paid to the teachers of the private schools as is being done in the case of teachers of Government Schools.*

5. *That all concessions available to the Non-Gazetted Officers may be extended to the teachers working in the Private High Schools.*—The position of teachers of private school in the transferred areas cannot be different from the position of teachers in other parts of the State. The concessions asked for will automatically apply to the teachers in schools under the private managements in the transferred areas when such concessions are extended to the teachers of private schools in other areas.

6. That the qualifications prescribed for teachers of special schools by the erstwhile Travancore-Cochin State may be recognised by the Government of Madras also.

In the case of specialist teachers the qualifications prescribed by the former Travancore-Cochin State will hold good for teachers in service on 1st November 1956 or for drawing the Madras scale of pay unless they are found to be equivalent in all respects with reference to the qualifications prescribed in this State for the posts concerned. The principles adopted in respect of teachers in Government service will however hold good in the case of teachers in non-Government Schools also.

That the P.S.S. Scheme in force in the Kanyakumari district may be made permanent and that the Provident Fund Scheme and Pension Scheme in force in the Madrds State excluding the transferred areas may be extended to the Kanyakumari district.—These requests are under consideration of the Government.

8. That the teachers of Aided Secondary Schools may be paid allowances and batta when they *are deputed for Refresher Courses.*

The Director of Public Instruction is requested to submit proposals in this regard with an estimate of extra cost.
